

STAR-PINK

Surface cleaning

DESCRIPTION

Easy surface lining product. Specially formulated to clean and preserve glasses, mirrors, metals, wood, leather, metacrilate, stainless steel, etc...
It leaves the surface clean and shiny at the same time as it helps to repel the dust.

FORM OF USE

Dose: Product ready to use. Not diluer in water.
It can be applied directly on the surface to clean, spread with a cloth or atomizer until to leave it well distributed, and dry with a clean and dry cloth.
It is effective in indoors and outdoors.
Observation: During its storage, may appear layers on the product that do not damage its good quality. You just shake it up before its use and the layers will disappear.
